ASTM F2413 - 18 including EH
(Clause 5.6)

With an innovative microfibre upper, the #322 will keep you feeling protected and looking good. It's hard to beat if you're after a value-for-money boot that's packed with comfort and safety features.

- Black water-resistant microfibre zip side safety boot—140mm height
- The microfibre upper offers outstanding durability and is easy to maintain
- High-quality, anti-bacterial comfort lining
- Toe guard for extra durability
- Premium heavy duty zip for added convenience
- SPS Max—XRD® Technology in the heel strike zone for increased impact protection
- PU midsole and TPU outsole highly resistant to hydrolysis and microbial attack
 - fuel oil resistant
 - heat resistant to 140°C
 - slip resistant
- Comfort Air PU footbed which is anti-bacterial, breathable and washable
- Ergonomically engineered toe spring for reduced wearer fatigue
- Steel shank—ensures correct step flex point, assists with torsional stability
- Full heel breast with arch support for ladder and gantry safety
- Electrical hazard resistant
- Broad fitting Type 1 steel toe cap tested to resist a 200 joule impact
