

Graphex® Fusion

Features

- 18-gauge Graphex® internal cut resistant yarn offering high dexterity with maximum cut resistance
- Hardwearing synthetic palm provides assured grip
- 4 Way Spandex is used in this glove construction allowing complete hand movement and flexibility
- Flexible low profile TPR impact protection
- Integrated terry towelling brow wipe to efficiently manage perspiration
- Velcro closure allows the glove to be securely fastened ensuring a snug fit that reduces glove movement on the hand
- Touchscreen friendly
- Silicone and fibreglass free construction
- 360 degree breathability
- UPF50+ offering maximum sun protection

Standards & Certification

Graphex® recognise that without product certification by a Notified Body all product performance testing, and adherence to standards claims cannot be independently verified. If they are not as claimed, serious safety implications for the wearer, and legal implications for the supplier and even the employer may arise.

Graphex source their entire range of Synthetic hand protection from a single manufacturing partner to ensure consistency and reliability of product, but most importantly Graphex have taken the further step of engaging a globally recognised Notified Body to audit and certify both the manufacturing process and the products.

All of Graphex's hand protection is certified as per AS/NZS and CE hand protection standards.

Specifications

Part No. GFPR600
Liner Graphex®

Packaging

1 6 72

Sizing & Fit

Available Sizes

- GFPR600.XS X Small
- GFPR600.S Small
- GFPR600.M Medium
- GFPR600.L Large
- GFPR600.XL X Large
- GFPR600.2XL 2X Large
- GFPR600.3XL 3X Large

Dexterity Level

Maximum Dexterity Level 5
Certified under AS/NZS 2161.2:2020
and EN ISO 21420:2020
